Hairy scientists the toast of Holland

The Luxuriant Flowing Hair Club for Scientists (LFHCfS) Men-of-the-Year — Falk Schuch, Andreas Linsner and Kai Jung — were a big hit on their first-ever visit to The Netherlands. The photo here shows them at a publicity event in Amsterdam, accompanied by an unidentified local woman. The trio traveled to the Natural History Museum in Rotterdam to take part in the opening of the European Bureau of the *Annals of Improbable Research*.

invitation
of insistent, adoring new fans.

(NOTE: At the request of a noble personage, on May 25, 2006 we added a second photo to this blog entry.)
